

Top Performance in Action

MyLab[™]Alpha

eHD
Technology

- Premium performance and compact design
- Unparallel simplicity and productivity tools
- Unique ergonomic design
- State-of-the art technology & connectivity

Premium performance and compact design

- Adult & pediatric TOE echo
- Single crystal technology transducers
- Advanced quantification package

Unparallel simplicity and productivity tools

- HD touch screen
- eTouch automated sequences
- SmarTouch image fine tuning with a single touch

Unique ergonomic design

- Rotating wide screen monitor
- Double connector for the new generation IQ probes
- 1:30 hours integrated battery & stand-by mode

State-of-the-art technology & connectivity

- Coronary Flow Imaging, XStrainTM & XStrainTM4D, ^{RF}QIMT
- Wireless connection
- MyLabDesk³ PC software

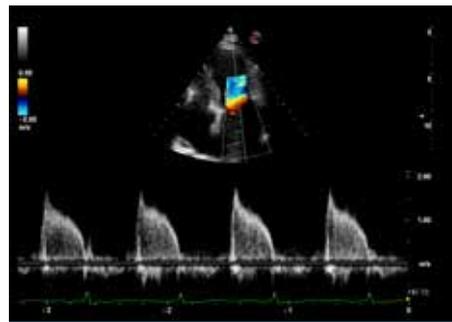

CARDIOVASCULAR

Outstanding image quality

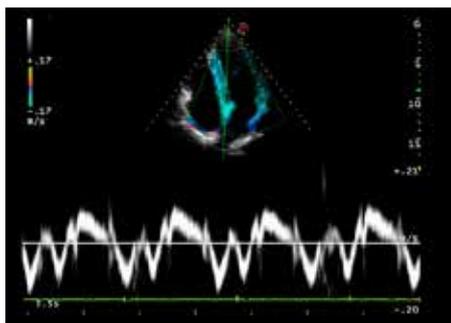

Single crystal IQ transducers

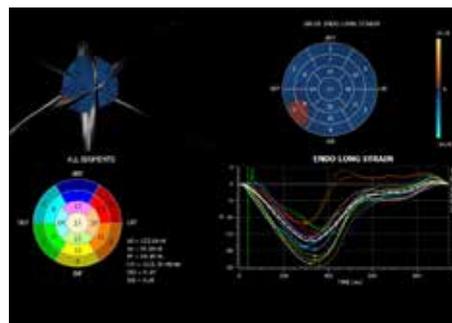

eHD spectral doppler

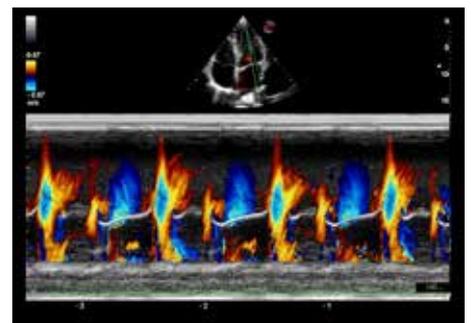

TEE

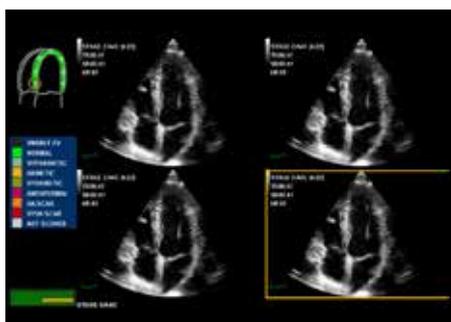

Tissue velocity mapping

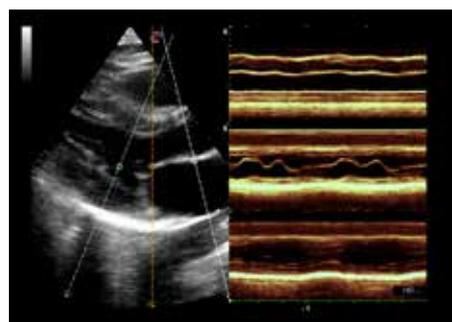

XStrainTM 4D

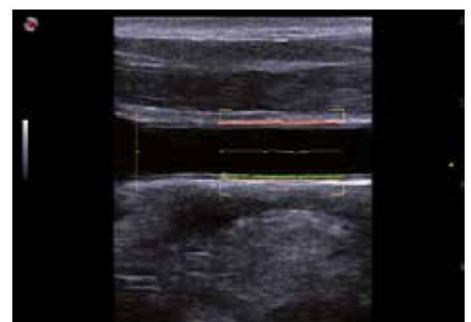

eHD color doppler

Continuous capture stress-echo

CMM with 3 real-time M-Mode traces

^{RF}QIMT

Technology and features are system/configuration dependent. Specifications subject to change without notice. Information might refer to products or modalities not yet approved in all countries. For further details, please contact your Esaote sales representative.
